ZITHA TECH SPECIALTY CABLES (Pty) Ltd

African electrical distribution box brands

Overview

Brands like York, Okari, Enlec, Utilec ©, PSO1 and PSO2 are well known in the South African market and are all solely manufactured by Allbro in South Africa. Local manufacture to international standards means that products are suited to the rigors of an extremely tough local. Electrical enclosure & distribution equipment, manufactured to SABS provisions and standards. We are suppliers and distributors of selected electrical products from top pole boxes, ready boards, split meter boxes, distribution boards, cables, cable drums, re-druming, transformers, mini-substations We have various agreements with our products manufacturers : Suppliers of all sizes of wooden. Allbro supplies key components that are used in almost every locally made transformer. With the acquisition of ABB's South African enclosure business (York) in 2011, Allbro also became a leading supplier of non-metallic enclosures to the industrial, commercial and residential contracting trades. This electrical distribution box can be flush-mounted or surface-mounted.
