Trayco Trayco specializes in 100% Belgian-made cable trays, mesh trays, and cable ladders. Founded in 2012, they provide not only manufacturing but also project consultation and installation guidance, ensuring tailored solutions for industrial and commercial applications . Vergokan Vergokan, established in 1982, produces standard and custom cable support systems for electrical installations. They are recognized for their reliable and durable cable trays suitable for various industrial projects . Brilltech Engineers Brilltech Engineers offers a wide range of cable trays in Belgium, including perforated, galvanized steel, stainless steel, and fiberglass options. Their products focus on safety, airflow, and efficient cable management, with professional support for system design and installation . Cable House Founded in 1983, Cable House manufactures and supplies cable trays along with related products like cable ties and connectors. They provide customized solutions, emphasizing high durability, sustainable performance, and international standards compliance . Jeetmull Jaichandlall Specializing in stainless steel cable trays, Jeetmull Jaichandlall offers high-quality, customizable trays for diverse industrial applications. Their manufacturing facility uses advanced technology to ensure top-quality products that meet strict industry standards .

Considerations for Choosing a Manufacturer
• Material Options: Stainless steel, galvanized steel, fiberglass, or perforated trays depending on environmental and load requirements.

• Customization: Ability to provide tailored solutions for specific project needs.

• Support Services: Consultation, installation guidance, and after-sales support.

• Compliance: Adherence to industry standards and safety regulations.

• Delivery and Availability: Local manufacturing ensures faster delivery and easier communication. These manufacturers are well-established in Belgium and provide a combination of quality, customization, and professional support, making them suitable choices for industrial and commercial cable management projects.
