ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Canadian Cable Tray Installation Company

Overview

Unitray Cable Tray Systems, Support, Cable Management, Ladder TrayWe manufacture CSA approved Class C, D and E cable tray and fittings with standard 3m, 5m.

Key Takeaways

Leading Canadian cable tray providers include Zip Cable Tray Systems Inc., Unitray, Niedax CER, and Superior Tray Systems Inc., offering CSA-approved, high-quality cable management solutions.Zip Cable Tray Systems Inc.

Founded in 1994 and based in Pointe-Claire, Quebec, Zip Cable Tray Systems Inc. specializes in lightweight, strong, and fast-to-install aluminum cable trays and ladders. Their channel-style siderails use a spring nut system, eliminating drilling and enabling quick installation. Zip offers a full line of accessories and custom solutions, serving telecom, industrial, and electrical projects across Canada .

Unitray

Unitray is a leading Canadian manufacturer of aluminum cable trays, producing CSA-approved Class C, D, and E trays and fittings in standard 3m, 5m, and 6m lengths. They emphasize quality, safety, and efficiency, with ISO-certified production facilities and CNC sheet metal equipment capable of delivering custom orders quickly. Unitray is known for professional service and reliable product performance .

Niedax CER
