Croatian Single-Mode Optical Cable Manufacturer

Overview

Discover all relevant Fiber Optic Cable Manufacturing Companies in Croatia, including Dark Fiber d.o.o.

Key Takeaways

Key Croatian manufacturers and suppliers of single-mode optical cables include ELEKTRO IMBER, ELKA, ASSMANN Croatia, and Telecron.ELEKTRO IMBER

ELEKTRO IMBER specializes in optical communications and provides a wide range of single-mode fiber optic products, including preconnectorized drop cables, patch cords, pigtails, and splitters. Their products often use G.657.A2 fiber, which supports low bending radius for easier installation in complex network environments. They also supply optical enclosures, splice closures, and distribution boxes suitable for FTTH deployments and PON networks, making them a comprehensive provider for telecom infrastructure in Croatia .

ELKA

ELKA is a leading Croatian cable manufacturer with over 98 years of experience. They produce electric and optical cables for industrial, energy, telecommunications, and transport sectors. ELKA's fiber optic offerings include single-mode cables suitable for backbone and access networks, emphasizing high quality and compliance with EU standards .

ASSMANN Croatia

© 2026 ZITHA TECH SPECIALTY CABLES (Pty) Ltd - All rights reserved

ASSMANN Croatia offers single-mode fiber optic patch cables, including steel-armored versions for enhanced durability and protection against mechanical stress. These cables are ideal for FTTH, industrial automation, and enterprise networks, providing low signal loss and long service life in demanding environments .

Telecron

Telecron d.o.o. is a distributor and service provider in the telecom and IT sector. They supply a wide range of fiber optic cables, installation tools, and testing equipment, including single-mode cables. Telecron also provides support for cable laying, splicing, and network testing, making them a valuable partner for both procurement and deployment of optical networks in Croatia .

Summary

For businesses or projects requiring single-mode optical cables in Croatia, these companies offer a combination of manufacturing, distribution, and technical support:

• ELEKTRO IMBER – FTTH solutions, patch cords, preconnectorized cables, splitters

• ELKA – High-quality single-mode cables for telecom and industrial applications

• ASSMANN Croatia – Armored and standard single-mode patch cables

• Telecron – Distributor of fiber optic cables, tools, and installation equipment These manufacturers and suppliers provide reliable options for telecom operators, network integrators, and industrial clients seeking single-mode optical fiber solutions in Croatia.
