Egypt s Reputable Photovoltaic Combiner Box Manufacturer

Overview

Top Solar Combiner Box Manufacturers in Egypt Discover all relevant Solar Combiner Box Manufacturers in Egypt, including SOLERA (Electromechanical & Solar.

Key Takeaways

Key suppliers of photovoltaic combiner boxes in Egypt include HELIOWORX, Economic Co., and ECSE Group, offering DC/AC combiner boxes, protection panels, and full solar system integration services.

HELIOWORX

HELIOWORX is an authorized assembler and distributor for Hensel Electric Products in Egypt, providing a wide range of ENYSUN photovoltaic combiner boxes. They specialize in DC combiner boxes, AC inverter collectors, protection and metering boxes, and custom electrical panels. Their products comply with IP65/66 standards and IEC regulations, suitable for both on-grid and off-grid PV systems. HELIOWORX also supplies solar cables, MC4 connectors, cable glands, DIN rails, copper bus bars, fuse links, and surge protection devices for voltages up to 1500 V, along with engineering and installation support .

Economic Co.

© 2026 ZITHA TECH SPECIALTY CABLES (Pty) Ltd - All rights reserved

Economic Co. offers solar combiner boxes designed according to IEC standards, integrating SPD, fusing systems, DC disconnect switches, and internal bus bar connections. Their combiner boxes are designed to save time, space, and cost while providing reliable protection for solar PV systems. They cater to both commercial and residential solar installations and provide detailed product catalogs for selection .

ECSE Group

ECSE Group is certified by the Egyptian Ministry of Electricity and Energy and supplies a wide range of solar systems and components, including combiner boxes. They distribute internationally recognized brands such as ABB Solar Solutions, SMA, Schneider Electric, Jinko Solar, and Yingli Solar. ECSE Group provides on-grid, off-grid, and hybrid solar systems, along with energy storage and power management solutions, making them a comprehensive partner for large-scale solar projects .

Additional Suppliers

Other notable Egyptian solar solution providers include SOLERA, Spark Renewables, BeNeshty Solar, and MechaSolar, which offer turnkey solar solutions, PV system design, and installation services. While some focus on mounting structures and system integration, they may also provide combiner boxes and related electrical components .

Summary

For photovoltaic combiner boxes in Egypt, HELIOWORX is ideal for modular DC/AC panels and accessories, Economic Co. offers IEC-compliant combiner boxes with integrated protection, and ECSE Group provides full solar system integration with international brand components. These suppliers cater to both residential and commercial solar projects, ensuring compliance with safety standards and offering technical support for installation and maintenance.
