ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Factory direct sales of fiberglass cable trays

Overview

Fiberglass Cable Tray is a lightweight yet durable cable management solution made from glass fiber reinforced polyester (FRP).

Key Takeaways

Shandong Hongfeng Power Technology, MP Husky, Uniflex, and Apex Tray are leading manufacturers offering direct sales of high-quality fiberglass cable trays.Key Manufacturers and Suppliers

1. Shandong Hongfeng Power Technology Co., Ltd. Hongfeng specializes in cable tray systems for industrial and infrastructure applications, with 20 years of experience and an annual production capacity of 100,000 tons. They offer factory-direct sales, flexible customization, and complete cable tray systems including fittings and accessories. Their facilities include ten automated production lines and two powder coating lines, ensuring stable production and rapid delivery for large-volume projects . 2. MP Husky Corporation MP Husky produces fiberglass cable trays using pultrusion technology, providing non-conductive, non-magnetic, and corrosion-resistant trays. Their trays are lightweight yet stronger than steel, available in polyester and vinylester resin systems, and meet ASTM E-84 Class 1 Flame Rating and ASTM D-635 self-extinguishing requirements. They also offer custom colors and surface treatments for enhanced corrosion resistance . 3. Uniflex Inc. Uniflex manufactures fiberglass cable trays with high strength-to-weight ratios, non-conductive and corrosion-resistant properties. Their products are available in custom shapes, sizes, and resin systems, and they provide complete systems including grating, ladders, stair treads, and accessories. Their trays are designed for long-term durability and minimal maintenance, suitable for industrial and commercial applications . 4. Apex Tray (China) Apex Tray offers FRP/GRP cable ladders and trunkings, designed for chemical plants, power plants, offshore platforms, and outdoor installations. Their trays are lightweight, strong, corrosion-resistant, and easy to install, with options for channel, ladder, and perforated types. They also provide sample pieces for evaluation, supporting buyers in testing before bulk orders .

Advantages of Direct Sales from Manufacturers
• Cost Efficiency: Eliminates intermediaries, reducing procurement costs.

• Customization: Tailored dimensions, resin types, and surface treatments.

• Technical Support: Direct access to engineering guidance and project documentation.

• Reliable Supply: Large production capacity ensures timely delivery for ongoing projects.

• Compliance: Products meet industry standards for flame resistance, corrosion protection, and mechanical strength. For buyers seeking factory-direct fiberglass cable trays, these manufacturers provide a combination of high-quality materials, scalable production, and flexible customization, making them suitable for industrial, commercial, and infrastructure projects.
