ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Free quote for 8-core hybrid fiber optic cable

Overview

Hybrid Cables CommScope bundles hybrid cabling to your custom specifications, using our high-performance fiber-optic, unshielded twisted pair DuetConnect™.

Key Takeaways

You can request a free quote for an 8-core hybrid fiber optic cable from multiple suppliers that offer custom hybrid cable manufacturing.Suppliers Offering Free Quotes

• HOC (Hone Cable) HOC manufactures hybrid fiber optic cables to on-demand specifications, integrating optical fibers and copper conductors in a single cable. They support various fiber types (OS1, OS2, OM2, OM3, OM4), voltage ratings, and sheath materials (PE, HDPE, AT). You can request a quote for trial orders or mass production, and they accommodate small orders for testing purposes .

• Helmacab Helmacab provides hybrid cables with 2–18 cores, including 8-core options, and supports both loose tube and slotted core designs. They offer mixed copper wire sizes, fiber optics, and LAN cables in a single hybrid cable. Their team can assist in designing the cable structure to meet your specific application .

• CommScope CommScope offers high-performance hybrid cables combining fiber-optic, unshielded twisted pair, and coaxial cables. They can bundle cables to your custom specifications, which allows you to request a quote for an 8-core hybrid fiber optic cable tailored to your project .

• ShowMeCables ShowMeCables provides custom cable builds and offers free quotes for hybrid cables. They support bulk orders and same-day shipping for standard and custom configurations, making it convenient to obtain pricing and delivery information quickly .
How to Request a Quote
• Prepare your specifications: Include the number of cores (8 in your case), fiber type (single-mode or multi-mode), copper conductor size, voltage rating, sheath material, and cable length.

• Contact the supplier: Use the “Request a Quote” or “Contact Us” forms on the supplier's website. For HOC, you can submit your design or drawings directly. ShowMeCables allows you to build a custom cable online and request a quote instantly.

• Include installation requirements: If the cable will be aerial, duct, or direct burial, mention this to ensure the quote reflects the correct construction and materials. By providing detailed specifications, you can receive an accurate free quote for an 8-core hybrid fiber optic cable from these suppliers, ensuring the cable meets your project requirements.
