ZITHA TECH SPECIALTY CABLES (Pty) Ltd

High-quality spectrometers from India

Overview

Find trusted Spectrometers including seed analyzer, portable optical emission spectrometer, x-ray fluorescence spectrometer and mass spectrometer from verified suppliers in India. Compare prices & bulk deals. Toshvin Analytical Private Limited offers a range of Inductively Coupled Plasma Spectrometers, specifically the ICPE-9800 Series, known for their high accuracy and sensitivity in ultra-trace element detection. Vas Spectrometers Private Limited - Contact Number - +918047648021 Analytical Technologies Limited - Contact Number - +917942642883 Swastik Systems & Services - Contact Number -. Among the Top Spectrometer Manufacturers In India, Asphire Spectro stands out as a trusted name, delivering precision instruments designed for various industrial applications. Industries such as. With more than 10 Years of experience, we manufacture best in class quality Spectrometers. Headquartered in Mumbai, VAS Spectrometers, is a team of young technocrats that excel at developing, designing and manufacturing world class, cutting edge spectrometers to meet demanding metals analysis. DHR Holding India Private Limited, headquartered in Mumbai, Maharashtra, specializes in medical devices, diagnostics, and environmental and industrial products. The innovative GCMS supports a huge.
