ZITHA TECH SPECIALTY CABLES (Pty) Ltd

List of manufacturers of electronic optical splitters

Overview

Top Optical Splitter Manufacturers in United StatesDiscover all relevant Optical Splitter Manufacturers in United States, including PPC Broadband and OptiW.

Key Takeaways

Key manufacturers of electronic optical splitters include T&S Communications, HYC Co., Ltd, Fibre2EU, Browave Corporation, OptiWorks, GrenTech, Hosecom, YINGDA Technology, and Shenzhen-based companies like Spring Optical, OPTICO, and Sopto.Prominent Fiber Optic Splitter Manufacturers
• T&S Communications – Offers high-quality fiber optic splitters including PLC splitters and FBT couplers, widely used in FTTX networks and optical transport systems .

• HYC Co., Ltd – Specializes in passive optical devices such as PLC splitters, essential for 4G/5G networks and data centers .

• Fibre2EU GmbH – Provides customizable fiber optic splitters and splitter boxes for telecommunications and broadband applications .

• Browave Corporation – Produces high-performance PLC splitters using fused biconical taper technology for low-loss, reliable performance in PON and CATV networks .

• OptiWorks – Manufactures PLC splitters and other fiber optic components for telecommunications applications .

© 2026 ZITHA TECH SPECIALTY CABLES (Pty) Ltd - All rights reserved

• GrenTech – Offers a range of 1xN and 2xN optical splitters with low insertion loss and compact design .

Additional Notable Manufacturers

• Hosecom Limited – Ranked among top fiber optic splitter companies, providing solutions for signal distribution in optical networks .

• YINGDA Technology Limited – Supplies fiber optic splitters and related optical components .

• Shenzhen Spring Optical Communication Co., Ltd – Produces a wide range of optical products including splitters, patch cords, and terminal boxes for telecom and cloud computing .

• Shenzhen OPTICO Communication Co., Ltd – Manufacturer of active and passive optical products, including splitters for 4G/5G and data center applications .

• Shenzhen Sopto Technology Co., Ltd – Offers advanced fiber optic solutions, including optical splitters, transceivers, and cables .

Beam Splitter Manufacturers

For optical beam splitters used in laser systems, interferometers, and imaging applications:

• Bernhard Halle Nachfl. GmbH

• CASIX

• O/E LAND INC. These companies provide plate and cube beam splitters suitable for various optical setups .

Summary

Electronic optical splitters are produced by a mix of global and regional manufacturers, covering both fiber optic splitters (PLC, FBT) and beam splitters. Selection depends on application requirements such as telecommunications, FTTX networks, 4G/5G infrastructure, data centers, or laser systems. Many of these manufacturers also offer customizable solutions and support for different connector types and packaging formats .

Top Optical Splitter Manufacturers in United States

Discover all relevant Optical Splitter Manufacturers in United States, including PPC Broadband and OptiWorks

Top 100 Optical Splitter Manufacturers in 2026 | ensun

Discover all relevant Optical Splitter Manufacturers worldwide, including PPC Broadband and T&S Communications

Optical Splitters Manufacturers and Suppliers in the USA ...

Welcome to this comprehensive resource for Optical Splitters Suppliers and Manufacturers on Thomas. Here you can find any

18 Fiber Optic Splitter Manufacturers in 2026

This section provides an overview for fiber optic splitters as well as their applications and principles. Also, please take a look at the

Fiber Optic Splitters Manufacturers and Suppliers in the ...

Custom manufacturer of optical beam splitters for semiconductors, electronics, and medical industries. Contract manufacturing

Beam Splitters

A Beam Splitter is an optical device that splits a beam of light into two or more beams. Beam Splitters from the leading

16 Power Splitter Manufacturers in 2026 | Metoree

This section provides an overview for power splitters as well as their applications and principles. Also, please take a look at the list of

Beam Splitters – Buyer''s Guide & Supplier List | RP

189 suppliers for beam splitters are listed in the RP Photonics Buyer''s Guide, out of which 17 present their

Splitter Product List and Ranking from 52 Manufacturers, Suppliers

We handle high-precision, high-quality optical polished products, including ball lenses used in imaging lenses, infrared LED optical

Beam Splitter Manufacturers
