North Asia PDU Smart Meter Manufacturer

Overview

China Smart Meter Pdu, Smart Meter Pdu Wholesale, Manufacturers, Our electronics supplier database is a comprehensive list of the key suppliers, manufactur.

Key Takeaways

Key North Asia manufacturers of smart PDUs include AHOKU Electronic (Taiwan) and JSY Power Meter (China), offering metered, intelligent, and customizable PDU solutions.AHOKU Electronic (Taiwan)

AHOKU Electronic, established in 1983, is a leading manufacturer of intelligent PDUs, metered PDUs, IP PDUs, and smart eco PDUs. They provide OEM and ODM services with over 35 years of experience in power management solutions for industrial, communication, automotive, and consumer markets . Their products feature:

• Touchscreen Smart PDUs with combined monitoring and control capabilities.

• Customizable outlets (8, 12, 24, 30+) and receptacle types (NEMA, IEC C13/C19, Schuko, French sockets).

• Flexible mounting options (vertical or horizontal) and modular designs.

• Compliance with ISO, RoHS, QA, and FMEA standards.

© 2026 ZITHA TECH SPECIALTY CABLES (Pty) Ltd - All rights reserved

• Full hardware and software R&D, including firmware, app development, and production integration. AHOKU's smart PDUs are widely used in data centers, server rooms, and critical IT environments, ensuring reliable power distribution and monitoring.

JSY Power Meter (China)

JSY Power Meter specializes in smart PDUs, single-phase power meters, three-phase voltage and current collectors, and reactive power measurement devices . Key features include:

• Global supply to Europe, America, Australia, and Asia.

• Focus on high-quality, cost-effective smart PDU solutions.

• Emphasis on customer-oriented service and long-term cooperation.

• Products suitable for industrial and commercial applications, with monitoring and metering capabilities.

Additional Suppliers

Alibaba and Made-in-China platforms list numerous PDU manufacturers in China, offering customizable metered PDUs, IP PDUs, and rack-mounted solutions . These suppliers provide:

• 1U, 19-inch rack PDUs with multiple outlet configurations.

• Smart monitoring features including RS-485 communication and power indicators.

• Heavy-duty and IP-rated enclosures for industrial environments.

Summary

For North Asia, AHOKU Electronic (Taiwan) and JSY Power Meter (China) are prominent manufacturers of smart PDUs with metering and monitoring capabilities, offering both customization and global distribution. Additional Chinese suppliers can be sourced via platforms like Alibaba and Made-in-China, providing a wide range of rack-mounted, IP-rated, and intelligent PDU solutions suitable for data centers, industrial, and commercial applications .
