# Outdoor power distribution box vertical installation price

## Overview

New panel box pricing typically ranges from about $150 to $1,900 for parts and labor, with most residential projects landing between $450 and $1,500 depending on amp rating, gauge of wiring, and labor complexity. Understanding distribution box cost involves examining the comprehensive investment required for electrical distribution systems that serve as crucial infrastructure components in residential, commercial, and industrial settings. Junction box cost can vary much more than many buyers expect. The final price depends not only on the box itself, but also on. Weatherproof outdoor cable distribution boxes with IP65 rating, arc-proof design, and flexible terminations for safe, reliable power distribution up to 10kV.
