ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Philippines Busbar Cable Tray Manufacturer

Overview

Gentec Group of Companies – Gentec Distribution The Group is spearheaded by Gentec Distribution Corporation, a premier manufacturer and distributor of Home.

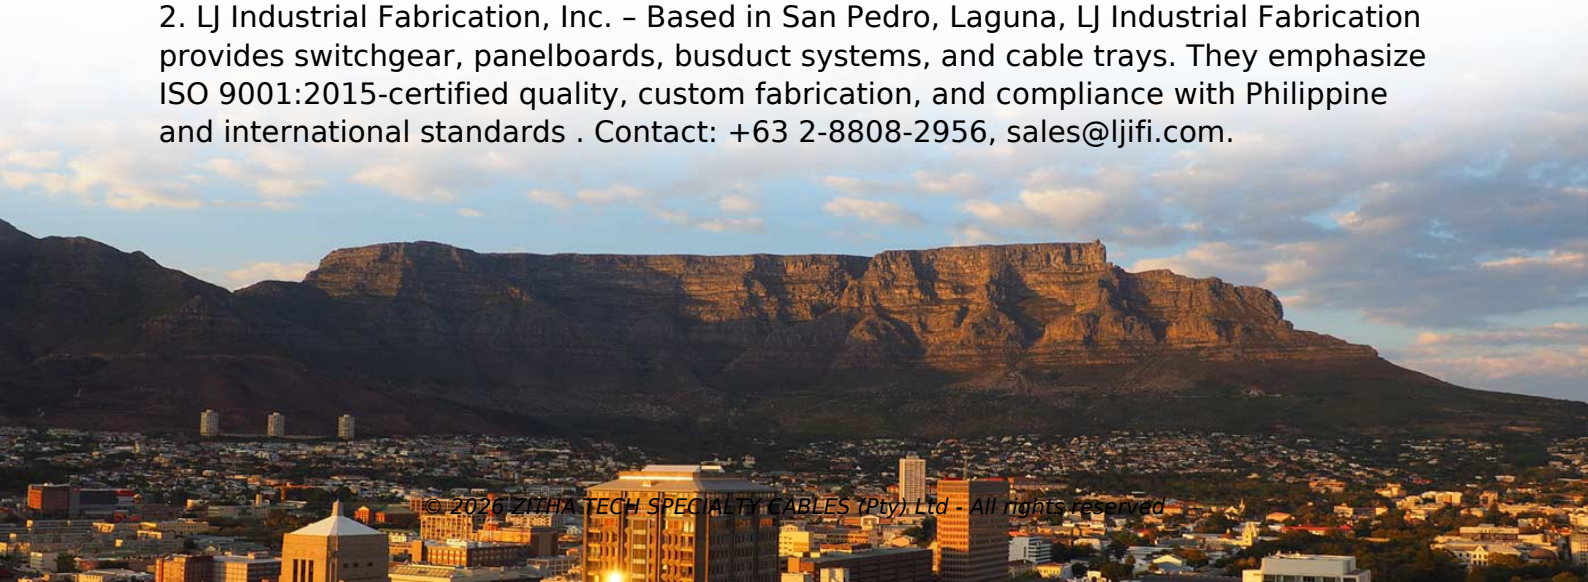

Key Takeaways

Leading Philippine manufacturers of busbar and cable tray systems include Total Power Box Solutions, LJ Industrial Fabrication, AM-PRO Industrial Co., Gentec Group, Prisma Electrical Controls, Schneider Electric Philippines, and EAE Electric.

Key Manufacturers and Suppliers

1. Total Power Box Solutions, Inc. – Located in Silang, Cavite, this company specializes in high-quality switchgear, panelboards, busducts, busbars, and cable trays. They use CNC machinery for precision fabrication and offer products such as ladder-type cable trays, air series busbars, and enclosed circuit breakers, designed for industrial and commercial applications . Contact: +63 2-8806-9716.

2. LJ Industrial Fabrication, Inc. – Based in San Pedro, Laguna, LJ Industrial Fabrication provides switchgear, panelboards, busduct systems, and cable trays. They emphasize ISO 9001:2015-certified quality, custom fabrication, and compliance with Philippine and international standards . Contact: +63 2-8808-2956, sales@ljifi.com.

3. AM-PRO Industrial Co. – Operating in Mindanao (Davao and Cagayan de Oro), AM-PRO offers fabrication of panel boards, control panels, and cable trays. They provide engineering, on-site installation, and customized solutions for industrial and commercial electrical systems .

4. Gentec Group of Companies – Gentec Distribution Corporation manufactures and distributes panel boards, enclosed circuit breakers, low- and medium-voltage switchgear, cable trays, and busways. They have facilities in Luzon and Cebu and focus on engineering-driven solutions for commercial, industrial, and utility projects .

5. Prisma Electrical Controls Corporation – Located in Manila, Prisma provides complete electrical solutions including cable management systems, busbars, and distribution equipment. They cater to commercial, residential, and industrial projects with a focus on energy efficiency and safety .

6. Schneider Electric Philippines – Offers a wide range of busway and cable management systems, including Canalis and I-Line series busbar trunking systems for industrial and commercial power distribution .

7. EAE Electric – Provides modular busbar systems, cable trays, support systems, and trolley busbar solutions. Their cable trays are produced using roll-forming methods with standard 3-meter lengths, suitable for offices, plants, and industrial facilities .

Considerations for Selection
• Product Type: Ladder-type, perforated, solid-bottom cable trays; air-insulated or enclosed busbars.

• Customization: Many manufacturers offer tailored solutions to meet specific amperage, length, or environmental requirements.

• Certifications: ISO 9001:2015, compliance with Philippine Electrical Code (PEC), and international standards.

• Support Services: Installation, predictive maintenance, and engineering consultation are available from most suppliers.

These manufacturers provide a comprehensive range of busbar and cable tray solutions suitable for industrial, commercial, and utility applications across the Philippines.
