ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Price of Outdoor Telecom Chassis

Overview

Need durable outdoor telecommunication cabinets? Discover IP65-rated, anti-vandalism cabinets with cooling systems.

Key Takeaways

Outdoor telecom cabinets and chassis range from $100 to over $370 per unit, depending on size, IP rating, material, and manufacturer.Price Ranges and Options
• Budget Models: Basic IP65 cabinets start around $100 per unit with limited size options, suitable for small-scale deployments or cost-sensitive projects (Foshan Yuhe) .

• Mid-Range Models: Robust IP55/IP65 cabinets with optional thermal management (fans or AC) are priced between $168 and $320 per unit, ideal for standard outdoor telecom installations (Abel Energy, Tutai Electric) .

• Premium/Custom Models: Larger or highly customizable cabinets, such as 18U galvanized steel units, start at $369.91 per unit with MOQ of 1, offering factory-direct customization for specific project requirements .
Material and IP Ratings
• Materials: Galvanized steel, powder-coated steel, and stainless steel (304/316) are commonly used, balancing durability and corrosion resistance .

© 2026 ZITHA TECH SPECIALTY CABLES (Pty) Ltd - All rights reserved

• IP Ratings: IP55 is standard for general weatherproofing, while IP65/IP66 is recommended for coastal or extreme environments to ensure dust and water resistance .
Customization and Features
• Size Options: Cabinets range from small wall-mounted units for FTTH termination points to large pedestal-style enclosures for aggregation nodes .

• Thermal Management: Options include passive ventilation, fans, or integrated air conditioning for sensitive electronics .

• Chassis Support: Many cabinets allow for adjustable racks and panel support to accommodate switches, OLTs, batteries, and patch panels .
Wholesale and Manufacturer Pricing
• Global Sources lists over 323 telecom cabinets and chassis with factory-direct prices, low MOQs, and fast shipping, suitable for bulk procurement .

• Made-in-China and Alibaba provide direct manufacturer pricing with customization options, allowing businesses to optimize cost and configuration .
Summary

For planning or procurement, outdoor telecom cabinets and chassis can be sourced across a wide price spectrum: $100–$370+ per unit, depending on size, IP rating, material, and additional features. Engaging directly with manufacturers or wholesalers allows for customized solutions, volume discounts, and flexible MOQs, ensuring the cabinets meet both technical and budgetary requirements.
