ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Price of outdoor distribution boxes for construction sites

Overview

Amazon.com: Outdoor Power Distribution BoxPower Distribution Box, Portable 110V Breaker Box with NEMA 5-20 Outlet, IP65 Weatherproof Temporary Power Outlet.

Key Takeaways

Outdoor construction distribution boxes typically range from $50 to $500 or more, depending on size, material, and features.Price Range and Factors
• Small to Medium Boxes: Compact, portable boxes suitable for temporary construction sites or small outdoor installations generally cost $50 to $150. These often feature waterproof ABS or metal enclosures, basic circuit protection, and portability for easy installation (Amazon listings) .

• Industrial or Heavy-Duty Boxes: Larger, rugged boxes with IP67 waterproof ratings, reinforced metal construction, and CE certification for industrial use can range from $200 to $500+. These are designed for long-term outdoor use, high durability, and protection against extreme weather conditions (Alibaba listings) .

• Smart or Advanced Features: Boxes with remote monitoring, overload protection, short-circuit protection, and ground fault protection may increase the price further, reflecting enhanced safety and operational efficiency .
Key Features Affecting Price
• Material: ABS plastic is lighter and more affordable, while iron or steel enclosures provide higher durability and impact resistance.

© 2026 ZITHA TECH SPECIALTY CABLES (Pty) Ltd - All rights reserved

• Waterproofing: IP65 to IP67 ratings ensure protection against rain and dust, which is essential for outdoor construction environments.

• Size and Capacity: Larger boxes with more circuits or breaker slots cost more due to increased material and complexity.

• Certifications: CE, UL, or GRS certifications can add to the cost but ensure compliance with safety and environmental standards .
Where to Buy
• Amazon: Offers a variety of small to medium outdoor distribution boxes, often priced between $50 and $200, with options for waterproof and portable designs .

• Alibaba: Provides industrial-grade boxes suitable for construction sites, with prices starting around $200 and scaling up for larger, certified, or smart-featured units .

• Home Depot: Stocks outdoor breaker boxes and distribution panels, typically for residential or light commercial use, with prices varying based on size and features . In summary, the price of outdoor construction distribution boxes varies widely based on size, material, waterproofing, and additional features, with most options falling between $50 and $500. For industrial or high-capacity applications, expect the higher end of this range.
