ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Swedish Galvanized Mesh Cable Tray Manufacturer

Overview

Galvanised Cable Tray In Sweden, Galvanised Cable Tray Looking to buy a Galvanised Cable Tray in Sweden?

Jeetmull Jaichandlall (P) Ltd. is one of the trust.

Key Takeaways

Jeetmull Jaichandlall and Brilltech Engineers are notable manufacturers of electro-galvanized wire mesh cable trays in Sweden.

Key Manufacturers

Jeetmull Jaichandlall (P) Ltd. is recognized as a leading wire mesh cable tray manufacturer in Sweden. They specialize in producing high-quality wire mesh trays in various sizes, shapes, and finishes, including electro-galvanized coatings. Their manufacturing facility is equipped with modern technology, ensuring durable, corrosion-resistant trays suitable for industrial, commercial, and data center applications. The company emphasizes strict adherence to industry standards and quality control, making them a reliable choice for Swedish and international projects .

Brilltech Engineers Pvt. Ltd. also supplies cable trays in Sweden, offering a range of perforated and mesh cable trays made from galvanized steel, stainless steel, and fiberglass. Their products are designed to protect cables from physical damage, dust, and environmental hazards while promoting airflow and efficient cable management. Brilltech provides installation support, system design assistance, and ensures compliance with safety and regulatory standards .

Product Features
• Material Options: Electro-galvanized steel, stainless steel, fiberglass, and pre-galvanized coatings .

• Design: Wire mesh or basket style for easy ventilation, cable organization, and smooth curved transitions around obstacles .

• Applications: Data centers, industrial plants, chemical facilities, offices, hospitals, airports, and other environments requiring durable cable support .

• Durability: High strength to support large cable loads, corrosion resistance, and long service life .

• Installation: Quick and easy with accessories, open design for ventilation, and minimal debris accumulation .
Considerations for Selection

When choosing a Swedish electro-galvanized mesh cable tray manufacturer, consider:

• Load capacity and size requirements for your project.

• Environmental conditions (indoor, outdoor, chemical exposure).

• Compliance with local and international standards.

• Availability of installation support and accessories.

Both Jeetmull Jaichandlall and Brilltech Engineers provide tailored solutions and can assist with product selection, ensuring the cable tray system meets project-specific requirements .
