ZITHA TECH SPECIALTY CABLES (Pty) Ltd

UAE Adjustable Attenuator Manufacturer

Overview

UAE's premier sound attenuator manufacturer, specializing in generator room sound attenuators, duct silencers, and custom acoustic enclosures for optimal noise control. Galloway Acoustic's sound attenuators are highly effective in noise control acoustical treatment of (HVAC) Heating Ventilating and Air-Conditioning, designed to reduce transmission of airborne noise through the ductwork, either from equipment into occupied spaces in a building or the external. Galloway Acoustics leads the industry as premier sound attenuator suppliers in UAE, providing precision-engineered noise control solutions for HVAC systems and industrial applications. Our products are designed to reduce unwanted sound in various environments, ensuring a quieter, more comfortable space.
