ZITHA TECH SPECIALTY CABLES (Pty) Ltd

UAE Fiber Optic Cable Plugging Head

Overview

Fahad Cables | UAE Network & Fiber Optic Cable ManufacturerFahad Cables is a UAE cable manufacturer specializing in network, fiber optic, control, instrume.

Key Takeaways

Fiber optic cable plugging heads in the UAE are widely available from manufacturers like Norden and Naficon, offering pre-polished, field-installable connectors compatible with single-mode and multi-mode cables.Key Manufacturers and Suppliers

Norden UAE provides a range of fast connectors that are factory pre-polished and field-installable, eliminating the need for hand polishing. These connectors are compatible with 0.9 mm tight buffer, 2 mm, and larger cables, supporting both single-mode and multi-mode fibers. Connector types include SC, ST, FC, LC, MTRJ, and E2000, with low insertion loss and high return loss, suitable for office LANs, patch cords, and pigtails . Norden also offers DIN rail-mounted fiber optic terminal boxes and double-armored fiber patch cords for high durability applications . Naficon in Dubai is another major supplier and manufacturer of fiber optic products in the UAE. They provide robust, installation-friendly connectors and accessories for modern fiber and data center networks, supporting both local and international projects . Their products are designed to meet the growing demands of high-speed telecommunications infrastructure. Pan Arabia (PAIS) supplies and installs fiber optic connectors, patch cords, and patch panels, offering design, testing, and commissioning services for industrial, residential, and commercial applications. They maintain a large stock of connectors and accessories for emergency deployment .

Types of Fiber Optic Plugging Heads
• Pre-polished, field-installable connectors: Quick to install, no polishing required, compatible with multiple cable diameters and fiber types .

• Standard connectors: SC, ST, FC, LC, MTRJ, E2000 for simplex or duplex connections.

• Patch cords and pigtails: Pre-terminated with connectors for permanent or temporary connections.

• DIN rail-mounted terminal boxes: Provide organized termination points for multiple fibers in telecom racks or control cabinets .
Applications

These fiber optic plugging heads are used in data centers, LAN networks, FTTH deployments, industrial networks, and telecom infrastructure. They ensure low insertion loss, high return loss, and secure connections, critical for high-speed data transmission and reliable network performance. For procurement, installation, or technical support, contacting Norden, Naficon, or Pan Arabia directly is recommended, as they provide both products and professional services tailored to UAE network requirements .
