Al Amazon Industries LLC (Sharjah) manufactures a wide range of electrical enclosures, including standard and extendable enclosures in aluminium and stainless steel. Their products comply with ADDC, DEWA, SEWA, and FEWA specifications, and they offer powder-coated finishes for durability and corrosion resistance. They emphasize modern manufacturing processes such as punching, bending, shearing, and gasket application to ensure high-quality enclosures suitable for various projects . Al Safeenah provides distribution boxes constructed from high-impact carbon steel, stainless steel, or thermoplastic. Their enclosures feature IP65/IP66 ratings for weatherproofing, modular designs for DIN-rail mounting, and corrosion-resistant coatings. These boxes are suitable for construction sites, industrial plants, telecommunications, commercial buildings, and renewable energy installations . Scientechnic specializes in wall-mounted IP66 service enclosures, metering cabinets, and modular DIN-rail enclosures. They offer stainless steel options (SS 304L or SS 316L) with finishes like 2B or mirror finish. Their enclosures are designed for both indoor and outdoor applications, providing safe and reliable power distribution for low-voltage switchgear and controlgear components . Al Shurooq manufactures a broad range of electrical enclosures, including LV switchgear panels, package substations, CRT enclosures, control cubicles, and distribution boards. They utilize CNC machinery for both standard and bespoke solutions, ensuring robust protection against fire, corrosion, and environmental stress, suitable for extreme climates .

Features to Consider

• Material: Carbon steel, stainless steel, aluminium, or thermoplastic depending on environmental conditions.

• IP Rating: IP65/IP66 for dust and water protection.

• Modularity: DIN-rail compatibility for MCBs, RCDs, and surge protectors.

• Customization: Options for transparent doors, cable gland boxes, and bespoke sizes.

• Compliance: Conformance with UAE utility standards (DEWA, ADDC, SEWA, FEWA).

How to Source

You can contact these suppliers directly for quotes, technical specifications, and delivery options. Many offer both standard enclosures and customized solutions tailored to specific project requirements . By selecting a reputable UAE supplier, you ensure durable, compliant, and reliable distribution box enclosures suitable for a wide range of industrial and commercial applications.
