ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Waterproof Fiber Optic Patch Cord Single Mode

Overview

200M LC-LC Singlemode 4-Strand Armored Fiber Optic Patch Cable with Waterproof TPU Connector. Durable and reliable for long-distance outdoor installations, this armored patch cord ensures superior performance in harsh environments. Single-mode patch cords transmit efficiently from 1300-1600 nm. Also available are single mode patch cables with AR-coated FC/PC or FC/APC connectors for improved fiber-to-free-space coupling. Branch structure field optical cable is a kind of wild warfare optical cable that is manufactured by using single-core optical cable as the basic component and is specially used in field, special environment deployment or repetitive retraction. The 1~6 cores of tight-fitting optical fibers in the. MPO (Multi-fiber Push-On) single-mode fiber patch cords are high-density optical interconnect solutions designed for modern high-speed networks. The L-com FOCA2LCSM-5. Check each product page for other buying options.
