Hutaib Electrical Based in South Africa, Hutaib Electrical manufactures a wide range of cable trays, including wire mesh and basket cable trays, along with accessories like bends, elbows, tees, and reducers. They offer finishes such as GI hot-dip, pre-galvanized, powder-coated, and stainless steel (SS-202/304/316), ensuring durability in diverse African climates. Hutaib serves industrial and commercial sectors across Africa, providing customized solutions and prompt delivery . Jeetmull Jaichandlall (P) Ltd. This manufacturer is recognized for high-quality wire mesh cable trays and netting tools. They provide a variety of sizes, shapes, and finishes tailored to industry-specific requirements. Their on-site manufacturing facility uses modern equipment and advanced technology to ensure consistent quality. Jeetmull Jaichandlall is considered among the top cable tray suppliers in Africa, serving both local and international markets . Cable Management Group (CMG) CMG offers a comprehensive portfolio of cable management products, including mesh and perforated cable trays. Their products are engineered for light, medium, and heavy-duty installations in commercial and industrial applications. CMG also provides complementary accessories such as conduit fittings, cable glands, and strapping, with expert guidance for project-specific solutions .

Considerations for Choosing a Manufacturer
• Material and Finish: Ensure the trays are suitable for local environmental conditions (e.g., corrosion resistance in humid coastal areas).

• Customization: Some manufacturers offer tailored sizes, shapes, and load capacities.

• Compliance: Check adherence to regional and international standards for safety and durability.

• Support and Accessories: Availability of bends, elbows, tees, and other accessories can simplify installation. These manufacturers provide reliable mesh cable tray solutions suitable for industrial, commercial, and infrastructure projects across East Africa, ensuring durability, compliance, and flexibility for various applications .
