ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Which company makes the best fixed-edge mesh cable trays

Overview

Choose from our selection of cable trays, including over 850 products in a wide range of styles and sizes. Same and Next Day Delivery.

Key Takeaways

Top manufacturers for fixed-edge mesh cable trays include Legrand (Cablofil), Marlin Steel, and Atkore, known for durability, airflow optimization, and high-quality materials.Leading Manufacturers

1. Legrand (Cablofil) Legrand's Cablofil line is widely regarded as the global standard for wire mesh cable management. Their fixed-edge mesh trays are designed for fast installation, modularity, and heavy-duty applications. Cablofil trays are suitable for data centers, industrial facilities, and commercial projects, offering excellent airflow, structural integrity, and safety features like smooth-trim wire ends to prevent cable damage. Legrand also provides prefab assemblies and fasteners, reducing lead times and installation complexity . 2. Marlin Steel Marlin Steel manufactures high-performance wire mesh cable trays in the USA using 100% domestically sourced steel. Their trays are engineered for durability, load-bearing capacity, and airflow, making them ideal for data centers, industrial manufacturing, and power distribution systems. They offer 304 and 316 stainless steel options for corrosion resistance, as well as powder-coated or zinc-plated finishes for indoor environments. Customization options include wire gauge, grid patterns, and tray dimensions to meet specific project requirements . 3. Atkore International Atkore is a global leader in cable management systems, including fixed-edge mesh trays. Their products are known for reliability, extended warranties, and suitability for both indoor and outdoor applications. Atkore provides a wide range of cable tray types, including galvanized, stainless steel, and fiberglass options, catering to diverse industrial and construction needs .

Other Notable Manufacturers
• Code Electric Products Ltd – Recognized for robust wire mesh trays suitable for heavy-duty industrial applications .

• Chatsworth Products – Offers modular cable management solutions with strong structural performance .

• Snake Tray – Specializes in aluminum and steel cable trays for data centers, solar installations, and transit projects, emphasizing innovative designs and cost-effective solutions .
Key Considerations

When selecting a fixed-edge mesh cable tray manufacturer, consider:

• Material and corrosion resistance (304 vs. 316 stainless steel, powder coating)

• Load capacity and structural integrity

• Ease of installation and modularity

• Lead times and availability

• Customization options for specific project requirements For high-performance, reliable, and widely trusted fixed-edge mesh cable trays, Legrand (Cablofil), Marlin Steel, and Atkore are generally considered the top choices in 2026, offering a balance of quality, durability, and installation efficiency.
