1. Dongkwang Vina Dongkwang Vina is a prominent cable tray manufacturer in Vietnam, offering a wide range of products including ladder trays, perforated trays, and solid bottom trays. They are recognized for durable and efficient cable management solutions, serving industries such as electrical, power generation, construction, oil & gas, and telecommunications. The company emphasizes innovation, customization, and adherence to international standards, making it a reliable choice for complex installations (dongkwangvina.com) . 2. Butraco Butraco specializes in perforated, ladder, and solid bottom trays, providing cost-effective and high-quality solutions. Their products are widely used in industrial and commercial buildings, power and energy sectors, infrastructure, mining, and construction. Butraco is known for customized solutions tailored to client specifications, ensuring durability and compliance with industry standards (butraco.vn) . 3. Viet Power Si Viet Power Si focuses on sustainable and reliable cable management systems, including stainless steel trays. They manufacture perforated, ladder, and solid bottom trays with an emphasis on efficiency and quality. Their products are suitable for power generation, electrical, oil & gas, construction, and industrial projects, meeting international quality standards (vietpowersi.com) . 4. Jeetmull Jaichandlall (P) Ltd. Specializing in stainless steel cable trays, Jeetmull Jaichandlall (P) Ltd. is known for excellent finishing, high-quality standards, and customization to meet industry-specific demands. Their manufacturing facility uses modern equipment and advanced technology, ensuring products are durable, resistant to impact, and suitable for diverse applications such as construction, agriculture, mining, automotive, and architecture (wiremeshes.com) .

Other Notable Manufacturers

• Bestray: Offers a comprehensive range of cable trays and accessories for industrial and commercial applications, including stainless steel options.

• Nam Phuong NB: Produces steel and aluminum cable trays with both standard and custom designs, serving construction, industrial, electrical, oil & gas, and power sectors.

• Brilltech Engineers Pvt. Ltd.: Provides stainless steel cable trays with a focus on quality control, customization, and timely delivery (cabletraymanufacturers.in) .

Recommendation

For high-quality stainless steel cable trays, Dongkwang Vina and Jeetmull Jaichandlall (P) Ltd. are particularly recommended due to their strong reputation, advanced manufacturing capabilities, and ability to provide customized solutions for various industrial applications. Depending on your project requirements, Butraco and Viet Power Si are also excellent options for durable and compliant cable management systems.
